

Sponsorship Opportunities

The Woodstock Minor Baseball Association (WMBA) is pleased to announce that The City of Woodstock has been awarded - Host Community for the **DQ 13U Pee Wee National Championship Tournament August 23-26, 2018**

The 2018 13U tournament consists of the 10 best provincial Pee Wee teams from across Canada (including a local team) competing for the National Championship.

Events as large as this require many volunteers, countless hours of planning and the support of its community. WMBA is offering the following sponsorship opportunities that will allow us to bring such a prestigious event to our community. We are excited for this event to be hosted at the new Cowan Fields and the ability to show off our great community to the 1000's of players, families, spectators and guests expected to converge on our great city.

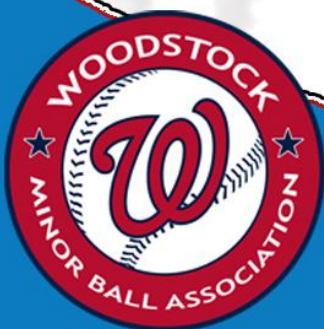

We thank you for your consideration and look forward to discussing these opportunities and more...

I hope to see you at the diamond - *Jeremy*
